

Award for Best Planning Consultancy

SPONSORED BY

About this award

Planning activity across Oxfordshire is intense. As new developments come on stream and submitted, commercial developers and private clients are increasingly turning to planning consultants for advice and guidance. Planning consultants need to demonstrate in their submissions a clear strategy to answer the brief, a logical process to achieve planning permission and feedback from their client post submission. Alternative measures could include investment in sustainable approaches to business or adoption of creative ways which encourage growth and loyalty. Having an office in Oxfordshire is not essential for this award.
